**Ms. Reshma Engheepi** started her journey with Air India as a cabin crew member in the year 2012 and is currently flying with B777 fleet.

She says “Being a part of the National carrier, I feel proud that I represent my country India. Air India has given me exposure and has taught me many things. Hailing from a small town, I feel happy and proud to represent my community and proud to be known as the first cabin crew member flying with Air India from my hometown Diphu, Assam. Air India is like a family to me, where my seniors and colleagues are like my own. I must say Air India is the best place to work, where one can grow and learn good things each day. I once again would like to say I love my country, I love my Air India.”

So far, Reshma has received much appreciation from the management, in terms of excellent Inflight announcement skills. She believes in patience and hard work.
