

Google Verified SMS by Air India

Now Air India SMS are Google Verified on Google “Messages” Application. When SMS is sent by Air India, it will have business name as Air India, its logo and verification badge (blue tick).

All android users using Google “Messages” Application version 5.4 onwards will get Google Verified SMS by Air India. This app can also be downloaded from Google Play Store.

For Jio network users, a separate whitelisting will be required to get Google verified SMS by Air India. As JIO users can not subscribe on their own, they may email us on email.helpdesk@airindia.in with their play store Gmail id to get whitelisted at Google “Messages” Application.

Currently Verified SMS Supported countries are **USA, Mexico, Brazil, India, Canada, UK, France, Spain and Philippines.**
