

Please find below the SOP for **online registration of passengers** for testing at Kolkata Airport (CCU) by M/s HindLabs (Init of HLL), Kolkata,

in view of the new International Arrival Guidelines

- **Scan the QR code** or **click on the link** provided below to register (Indian mobile number is mandated).

<https://tinyurl.com/PATREGKOL>

- Once the registration process is done, the token is generated and the **download TRF** option is there by clicking from which, the **TRF** (Test Requisition Form) can be downloaded.

- Passengers must carry a printed version (hard copy) of the filled registration form in which the token number is mentioned. (Those who are not carrying a printed version of TRF, need to fill the TRF physically after arrival at the testing facility).

Doing online registration will ramp up the workflow and the time consumption will be less.
