

# Issues with OCI Cards as Address proof

**OCI Card is accepted as address proof**  
**Since Foreign Passport does not reflect Address**

**Foreign Passport**

**OCI CARD**

## Points to be noted:

1. Same **OCI number** should reflect on all pages.
2. **Passport number** should match with the same passport number mentioned on the **OCI** document.
3. Both **Passport** and **OCI** should be uploaded in this case.
4. The **Address** on the **OCI** Card should reflect the **address** mentioned in the **Flying Returns (FR) Account**.
