About Air India:

Founded by the legendary JRD Tata, Air India pioneered India's aviation sector. Since its first flight on October 15, 1932, Air India has an extensive domestic network and has spread its wings beyond to become a major international airline with a network across USA, Canada, UK, Europe, Far-East, South-East Asia, Australia and the Gulf. Air India is a member of Star Alliance, the largest global airline consortium. After 69 years as a Government-owned enterprise, Air India and Air India Express were welcomed back into the Tata group in January 2022. The present management at Air India is driving the five year transformation roadmap under the aegis of Vihaan.AI to establish itself as a world-class global airline with an Indian heart.

Vihaan.AI is Air India's transformational roadmap over five years with clear milestones. It will be focussing on dramatically growing both its network and fleet, developing a completely revamped customer proposition, improving reliability and on-time performance. The airline will also be taking a leadership position in technology, sustainability, and innovation, while aggressively investing in the best industry talent. Vihaan.AI is aimed at putting Air India on a path to sustained growth, profitability and market leadership.

About the Tata Group:

Founded by Jamsetji Tata in 1868, the Tata group is a global enterprise, headquartered in India, comprising 30 companies across ten verticals. The group operates in more than 100 countries across six continents, with a mission 'To improve the quality of life of the communities we serve globally, through long-term stakeholder value creation based on Leadership with Trust'.

Tata Sons is the principal investment holding company and promoter of Tata companies. Sixty-six percent of the equity share capital of Tata Sons is held by philanthropic trusts, which support education, health, livelihood generation, and art and culture. In 2020-21, the revenue of Tata companies, taken together, was \$103 billion (INR 7.7 trillion). These companies collectively employ over 800,000 people. Each Tata company or enterprise operates independently under the guidance and supervision of its own board of directors. There are 29 publicly-listed Tata enterprises with a combined market capitalisation of \$314 billion (INR 23.4 trillion) as on December 31, 2021. Companies include Tata Consultancy Services, Tata Motors, Tata Steel, Tata Chemicals, Tata Consumer Products, Titan, Tata Capital, Tata Power, Tata Communications, Indian Hotels, Tata Digital and Tata Electronics.
